

**SOS CHILDREN'S  
VILLAGES**  
LEBANON

## Emergency Response Appeal

Since October 2023, Lebanon has been embroiled in intense conflict, leading to widespread destruction and the displacement of thousands of families and children who have been forced to flee their homes, seeking refuge in temporary shelters such as schools, community centers, and other public facilities. Unfortunately, these locations are not adequately equipped to accommodate the high volume of displaced individuals, further depleting already strained resources.

The current situation presents a significant threat to the well-being of families, children, and the host communities working to support them. The influx of displaced persons living in overcrowded and makeshift shelters has resulted in an urgent need for essential services, including food, bedding, medical assistance, hygiene supplies, and psychosocial support.

**The rights of children – as enshrined in the UN Convention on the Rights of the Child - are being violated. These include their right to life, survival, development, education, protection from abuse, violence, or neglect, access to healthcare, and adequate nutrition.**

In this critical moment, SOS Children's Villages Lebanon is poised to take action. We are launching this Emergency Appeal to rally support, ensuring the safety, dignity, and well-being of all those affected, particularly those in dire need.

**Your support is vital in helping us meet these urgent needs and provide care and relief to affected families during this challenging time.**

# SOS Children's Villages Lebanon

## Emergency Response

### Food security

- Ensure food security and provide hygiene kits for displaced families.

### Healthcare

- Ensure access to healthcare and medical services for affected populations.

### Protection:

- Protect children by creating safe spaces to ensure the continuity of their daily routines.

### Education:

- Support education continuity and ensure alternative learning solutions for children.

### Shelters

- Provide temporary shelters and housing for our displaced families.

### Psychosocial support

- Deliver psychosocial support to children, youth and adults affected by trauma, ensuring they receive emotional and mental follow-up.
